# Series 9300™ framed sliding shower screen system with framed doors

The Australian Design Award winning SERIES 9300™ shower screen range features sliding doors and a patented sequential door opening system.

## Exceptional Value

Indulge your imagination and create the absolute premium bathroom design at a suprisingly affordable price.

## Adjustment

Provides up to 15mm return jamb and wall channel adjustment for out-of-square walls for ease of installation and further cost savings.

## Contoured Profiles

All elements of this Australian Design Award winning product, including head capping, return jambs, angle jambs and sill, reflect the latest in contoured design aesthetics.

## Components

Component and design features combine to provide convenience and colour co-ordination.

- Snap Caps
- Guide Blocks
- Dress Trims
- Anti-bacterial clear (ie. frost) and colour matched glazing vinyl

## Water Resistance

SERIES 9300™ is created to provide a high level of water resistance and minimise external splashing so your bathroom remains drier and safer.

## Patented Sequential Door Opening System

The patented pulley-roller system ensures smooth, silent operation and prevents “clunking” of the sliding panels. This is a standard feature available on all SERIES 9300™ sliding door configurations.

## Glass Size

Designed specifically for use with 4, 5 and 6mm toughened glass. Will accept 6.5mm laminated glass if desired.

## Low Maintenance

The smooth, contoured profiles and cleverly designed tracking sills in all SERIES 9300™ configurations are specifically designed to minimise soap accumulation, reducing the need for cleaning.

## Design Flexibility

SERIES 9300™ Shower Screen Systems can be designed for installation into most bathrooms. Ask your distributor for advice on a design to suit your needs.

## Safety

SERIES 9300™ Shower Screen Systems are glazed to comply with the requirements of Australian Standards AS2208 and AS1288.

## Colour Selection

Special colours available on request.
